

EID CELEBRATION

‘The richness and depth of celebrations express a culture accurately.’

Eid, the festival that upholds the spirit of brotherhood, love and secularism, was celebrated with great enthusiasm by the students of Army Public School Rakhmuthi. To mark the occasion, a special assembly was organised on 21 April, 2023. It started with a solemn prayer to the Almighty and an effort to work for a safe and better World and to live in harmony. The celebration concluded by apprising the audience about the significance of this holy festival through a speech by a student of Class VI. The spirit of Eid was well imbibed by the students and also it helped them to instil the universal values of brotherhood and compassion.
